

# GREENSBORO

Known as the manufacturing center of North Carolina, Greensboro is home to a 226,000 sq. feet O'Neal Manufacturing Services (OMS) production facility. Our Greensboro, NC facility offers a base package of manufacturing equipment and an experienced staff to support multi-step plate fabrication for many customers in the construction and heavy equipment industries, providing the fabrications and assemblies necessary for skid steers, cranes and lift trucks.

Like all the facilities in the O'Neal Manufacturing Services family, our Greensboro location is ISO 9001: 2008 certified and can develop comprehensive manufacturing solutions to support your next product launch.
