

INDIANAPOLIS

The Indianapolis facility is one of the most advanced OMS facilities as it relates to quality and process controls; the customer base includes some of the most advanced equipment manufacturers in the world. Our Indianapolis location is ISO 9001: 2015 certified and contains a base package of equipment with knowledgeable staff to support multi-step processing of steel plate fabrications and machined assemblies. With 203,000 sq. feet under roof, our team in Indianapolis is heavily involved with customers in the construction, elevator and lift truck industries.

The Indianapolis plant is Canadian Weld Bureau (CWB) and ISO 9001: 2015 certified.
