2022 INDUSTRY AWARD WINNER

O'Neal Manufacturing Services is honored to be named the 2022 Fabricator of the Year! Recognized by the Fabricators & Manufacturers Association, this esteemed credential showcases our trusted project management and industrial equipment manufacturing solutions that create the best value for our customers.

With strategically located facilities and ISO 9001:2015 certification, O'Neal Manufacturing Services provides reliable, high-quality, solution-driven services for large original equipment manufacturers and contractors across North America. Whether driven by the need for increased production capacity, condensed launch-to-market schedules, or shelter from supply chain risks, OMS offers strategic, long-term benefits for our customers through project management and industrial equipment manufacturing support.
